For our client Fenzi AGT in Maastricht, the world leader in the field of complex glass enamel, we are looking for a Procurement Manager to lead and grow the procurement team.

Bedrijfsomschrijving

As of February 2022, our client in Maastricht changed from part of a global company in many different markets to a new organization specialized in the glass market, called Fenzi AGT.

Fenzi AGT's products are marketed all over the world and find their way into the automotive and glass industry. The head office is located in Maastricht and the production locations are located in the Netherlands, China, the US, and various sales staff in different countries around the world.

About 200 employees work at Fenzi AGT in Maastricht. As part of the new Italian owner Fenzi (specialized in glass applications), it combines the advantages of a multinational and a medium-sized company. Fenzi is ISO 14001 certified.

Functieomschrijving

We are looking for someone who will continue to exceed the expectations and standards of Fenzi. The key responsibilities to do so will be:

Developing and executing contemporary supply chain strategies; Developing, implementing and continually monitoring and adjusting extensive global price benchmark for key raw materials and total; Actively search for and qualify new high-quality, cost-competitive and innovative suppliers, both local and global, to drive flexibility and competition; Active role of negotiating and developing long-term supply contracts; Ensuring that the source is available for risk mitigation; Creating strong RFI and RFP analyzing responses and presenting recommendations and business cases to management; Managing and controlling all core activities including PO's, delivery schedules, inventory and maintaining good supplier relations.

Test but not fail. You have to be able to grow the product program in a new market to be able to decrease the product's performance.
