

Procurement Manager

Locatie **Noord-Holland, Amsterdam**
<https://www.advertentieX.nl/x-1372358-z>

For our client Fenzi AGT in Maastricht, the world leader in the field of complex glass enamel, we are looking for a Procurement Manager to lead and grow the procurement team.

Bedrijfsomschrijving

As of February 2022, our client in Maastricht changed from part of a global company in many different markets to a new organization specialized in the glass market, called Fenzi AGT.

Fenzi AGT's products are marketed all over the world and find their way into the automotive and glass industry. The head office is located in Maastricht and the production locations are located in the Netherlands, China, the US, and various sales staff in different countries around the world.

About 200 employees work at Fenzi AGT in Maastricht. As part of the new Italian owner Fenzi (specialized in glass applications), it combines the advantages of a multinational and a medium-sized company. Fenzi is ISO 14001 certified.

Functieomschrijving

We are looking for someone who will continue to exceed the expectations and standards of Fenzi.
 The key responsibilities to do so will be:

Developing and executing contemporary supply chain strategies; Developing, implementing and continually monitoring and adjusting extensive global price benchmark for key raw materials and total cost of ownership; Actively search for and qualify new high-quality, cost-competitive and innovative suppliers, both local and global, to drive flexibility and competitive advantage of negotiating and developing supply contracts; Ensuring that all sources are available for production; Creating a robust FI and vendor management system; Analyzing business and process data to recommend and implement business process improvements; Managing and optimizing all procurement activities to meet the company's, department's, and individual's needs; Managing and maintaining good supplier relations. Best but not least, if you have a desire to grow a successful procurement team in a challenging environment to be able to release the full potential of the team.

Functieomschrijving

Our strengths and qualifications:

Excellent functional Procurement experience in a similar position, with specific experience dealing with chemical products and raw materials; A bachelor degree with preferably a background in chemistry; Knowledge and experience of best practice category management, sourcing, contract management and supplier performance
