

## AOC 2k 120Hz Curved 5210x1440p ultrawide Gaming monitor (900 EUR)

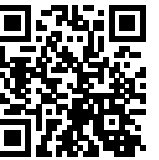

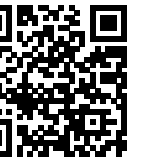

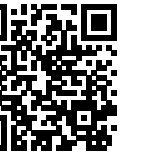

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1376445-z>

Ik verkoop mijn beeldscherm omdat toch niet was wat ik in gedachten had hoe het zou zijn toen ik hem kocht.

Beeldscherm specificaties:  
 Groote 49 Inch  
 scherm: VA met anti glare  
 Gewicht: 20Kg  
 Breedte: 120 cm,  
 Hoogte: 37 cm,  
 Scherm opdeling: 32:9,  
 scherm Resolutie: 2K,  
 HDR: 400,  
 G-Sync

Poorten:  
 2x HDMI 2.0,  
 2x DisplayPort,  
 1x USB C,  
 2x USB 3.0

je krijgt er een HDMI- & Display port kabel

|                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |
