For questions you can whatsapp me or call me on 06-10290516. Selling my Honda Civic Automatic 1.4 from 2008. I used to commute for work from Amsterdam to Zoterwoude and now changed jobs and no longer needing a car. Car was mainly used during the week and was driven with pleasure for over 5 years.

The car is in good condition and has been inspected until Aug 2023.

I am the third owner of this car which still drives perfectly and has its full history and maintenance invoices available.

Rear parking sensor, fully automatic air conditioning/climate control, automatic & semi automatic transmission which allows you to drive the car automatically and as well as manual gear.
