

## Content manager Team Lead

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiex.nl/x-1382293-z>

**Organisation**  
We are looking for our new Content Manager & Content Team Lead for our growing team!

You will be working in the greater Marketing Team which is made up of Content Managers/Copywriters and SEO Specialists to ensure the content and resources on all our 30+ international websites are up to date and of the highest quality. Aside from our industry-best SaaS product, we aim to provide the highest quality content and resources to our users in an easy-to-understand and visually appealing way. You know the power of content and understand its role in the customer journey and as such, you can create opportunities out of challenges.

## Job Description

You will be responsible for the overall content strategy and quality of all our 30+ websites. You will manage the content planning and make sure that it gets executed according to deadlines. You will be managing a team of Content Managers/Copywriters and make sure that they deliver the highest quality content in all of the 15+ languages in which we work. You will be involved in the recruiting and hiring of new full-time team members as well as the hiring and managing of freelancers as needed. You will be responsible for delegating and following up on tasks using our project management tools. In addition, you're able to contribute to our rapid international expansion by spotting, reporting and supporting on-site improvements while working side-by-side with our SEO Specialists to deliver the best experience for our users. With this, among other things, you will contribute to our team and business being taken to the next level of growth in the coming years.

 <a href="https://www.advertentialex.nl/x-1382-293-z">https://www.advertentialex.nl/x-1382-293-z</a>	<b>Job Requirements</b> Hard skills: This role requires experience working with different types of systems, knowledge of product management tools, and a strong preference for the experience mentioned in the different bullet points.
