

## Mercedes-Benz GLC 350 e 4 matic business 2017 320pk 19k km (51.500 EUR)

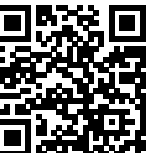

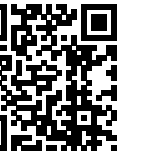

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentieX.nl/x-1391867-z>

Een chique Mercedes-Benz GLC 350e 4 matic business solution premium plug-in hybride, nieuw in Nederland geleverd van eerste eigenaar .  
 De GLC350e heeft 19.532km gereden en staat op zijn eerste set fabrieksgeleverde banden.  
 De GLC is zo goed als in nieuwstaat behalve een krasje in de voordeur van de berijder en een kleine beschadiging van de rechterspiegel tijdens parkeren.  
 De auto heeft zijn onderhoudsbeurten gekregen, bougies zijn vervangen en banden hebben nog genoeg profiel.

De GLC 350e rijdt relatief zuinig door zijn hybride techniek (EURO 6). Het gecombineerd vermogen van benzine motor en elektro motor is samen 320pk, 211pk benzine en 116pk elektra.  
 De vering en motor zijn elektronisch in te stellen van comfortabel naar sportiever door middel van verschillende rij-modi.

De auto is zeer netjes heeft vele opties en is zo goed als nieuw. Een keuring in overleg is mogelijk.

Opties:  
 Selenitgrau Metallic

|                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                            |
