For our client Fenzi AGT in Maastricht, the world leader in the field of complex glass enamel, we are looking for a Procurement Manager to lead and grow the procurement team.

Bedrijfsomschrijving

As of February 2022, our client in Maastricht changed from part of a global company in many different markets to a new organization specialized in the glass market, called Fenzi AGT.

Fenzi AGT's products are marketed all over the world and find their way into the automotive and glass industry. The head office is located in Maastricht and the production locations are located in the Netherlands, China, the US, and various sales staff in different countries around the world.

About 200 employees work at Fenzi AGT in Maastricht. As part of the new Italian owner Fenzi (specialized in glass applications), it combines the advantages of a multinational and a medium-sized company. Fenzi is ISO 14001 certified.

Functieomschrijving

We are looking for someone who will continue to exceed the expectations and standards of Fenzi. The key responsibilities to do so will be:

Developing and executing contemporary supply chain strategies; Developing, implementing and continually monitoring and adjusting extensive global price benchmark for key raw materials and total; Actively search for and qualify new high-quality, cost-competitive and innovative suppliers, both local and global, to drive flexibility and competition; Strengthen negotiating, developing and trialing supply agreements; Ensuring multiple sources are available for risk mitigation; Creating strong RFI and RFP analyzing processes and procedures to commercialize and business needs to manage costs; Managing and coordinating all process activities including Rf's, delivery schedule, follow-up and maintaining good supplier relations.

Fast but not slow! You have the ability to grow the established product line team in a market that is to be sold to increase the product's performance.
