HKC MR17-EU/UK is an HD-ready monitor that can be used perfectly as a second screen. Because of its small size, it fits perfectly next to a laptop or other monitor. The monitor can also be attached to the wall by a VESA bracket. The specifications do not fall for another monitor. This MR17 has an HD-ready resolution and a VGA connection, an HDMI connection and a VGA and audio cable for free. It has a powercable for the EU and for UK.

Sustainable
 Despite the sharp image and the many options that the screen has, this product is particularly economical with a consumption of 18 watts. In sleep mode, it consumes less than 0.3 watts. The low energy consumption makes the screen a conscious.
