

# Juniper EX2200 POE EX2200-24P-4G (75 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1405433-z>

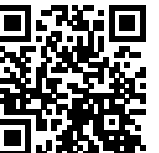

In nette staat, wegens overcompleet.  
 Factory default gereset met standaard config.  
 Meerdere stuks beschikbaar, stuur een bericht met een voorstel voor meerdere stuks. Overige biedingen alleen via Marktplaats Bieden.  
 Op vragen over 'kan deze switch XYZ?' wordt niet gereageerd, dat is allemaal online te vinden.

BTW factuur mogelijk.

EX2200-24P-4G Juniper Networks 24-port 10/100/1000BASE-T Ethernet Switch with Power over Ethernet (PoE) and four SFP GbE Uplink Ports + 550 W AC PSU (450 W for PoE)

Juniper EX2200. Switch type: Managed. Aantal basis-switching RJ-45 Ethernet-poorten: 24. MAC-adrestabel: 8000 entries. Power over Ethernet )

|                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |
