

# Nissan Micra IG-T 90 N-Connecta 360CAMERANAVIPDCAPKNAP (13.749 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiex.nl/x-1409361-z>

Algemene informatie  
 Aantal deuren: 4  
 Kleur: Zwart

Technische informatie  
 Vermogen: 66 kW (90 PK)  
 Aantal cilinders: 3  
 Transmissie: 5 versnellingen, Handgeschakeld  
 Tankinhoud: 41 liter  
 Acceleratie (0-100): 12,1 s  
 Topsnelheid: 175 km/u

Maten  
 Afmetingen (LxBxH): 3999 x 1743 x 1455 cm  
 Wielbasis: 2.525 cm  
 Inhoud laadruimte: 300/1.004 l

Gewichten  
 Ledig gewicht: 953 kg  
 Max. trekgewicht: 1.200 kg (ongeremd 525 kg)

|                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |
