I am selling Flysurfer Soul v2 12m.

I bought it October 2021.

I have used it for around 30 hours. It feels like new, it is still crispy. This kite has no damage, no repairs and is in perfect condition.

I have the kite in Poland. Unfortunately, I don't plan to go to the Netherlands very soon.

The price is 1450€ and it is final, shipping cost included.

The kite comes without the bar. I can sell dedicated Infinity XX bar for additional 400€.

I also have the Soul v2 15 for sale.

Message me or call in case of questions.
