

# Chevrolet Matiz 0.8 AUT 2005 Rood (3.000 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1417398-z>

Nette auto met maar 70:000 km. Automaat met 5 deurs, rijdt heerlijk en zuinig!  
 Nog niet zo lang accu, dynamo en wielen vervangen.

Apk pas gehaald en geldig tot okt 2023.

Moet weg ivm gezinsuitbreiding grotere

|                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |
