

## Cisco Catalyst 4948 10 Gigabit Ethernet Switch (299 EUR)

Locatie **Friesland, Drachten**  
<https://www.advertentieX.nl/x-1426375-z>

The Cisco Catalyst 4948-10GE delivers wire-speed throughput with low latency for data-intensive applications using a 136-Gbps switching fabric with a 102-million packets per second (mpps) forwarding rate in hardware for Layer 2-4 traffic. High-performance switching is delivered regardless of the number of route entries or Layer 3 and 4 services enabled. Hardware-based Cisco Express Forwarding routing architecture allows for increased scalability and performance. X2 10 Gigabit Ethernet optics provide 20 Gigabit Ethernet wire-speed uplinks for maximum throughput of traffic. Primary hardware features include:

- Wire-speed performance for 10/100/1000 connectivity and wire-speed 10 Gigabit Ethernet uplinks

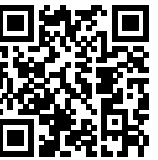

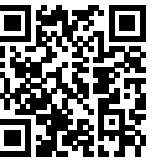

– 136-Gbps switching fabric with 102-Mpps forwarding rate for Layer 2 through 4

- Power-supply redundancy for nonstop operation

– 1+1 redundant hot-swappable internal AC or DC power supplies

- Robust Security

– Prevention of man-in-the-middle and IP-spoofing attacks

|                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |

---

Productstaat van de Cisco Catalyst 4948 10 Gigabit Ethernet Switch

Het product ziet er goed uit.

We checken de hardware bij uitlevering zodat u verzekerd bent van een goed werkend apparaat. Alle producten die wij uitleveren hebben 1 jaar garantie.

Huidige voorraad: 2 Stuk(s)

Naast de normale betaalmethoden zoals iDeal hebben wij ook een nieuwe betaalmethodes bij Hardware Kings. In 3 keer betalen met 0% rente

Betaal je je aankoop liever niet in één keer? Maak dan gebruik van in3: de enige gespreid betaalmethodes met 0% rente. In drie keer betaal je het aankoopbedrag zonder extra kosten. Zo koop je binnen je budget je favoriete product. Het minimale bestelbedrag is € 100,- en het maximale bestelbedrag is € 3.000,-.

Hieronder een overzicht met de in3 betaalmethodes voor het product dat je nu bekijkt:

1. Betaal nu: 99.67
2. Betaal over 30 dagen: 99.67
3. Betaal over 60 dagen: 99.67

Je kunt betalen op onze webwinkel met Creditcard, PayPal, Apple Pay, Google Pay, Bancontact en iDeal. Tevens kan je achteraf betalen met Klarna (14 dagen) of In 3 termijnen betalen met 0% rente. Kies de betaalwijze die voor jou het gemakkelijkst is!

Voordelen van Hardware Kings

- In 3 termijnen betalen | 0% rente, zonder BKR
- Deskundig en ervaren personeel met de beste service
- 14 Dagen Bedenktermijn
- Niet goed = Geld terug
- Minimaal 1 jaar garantie
- Uitsluitend A Merk refurbished hardware
- Op werkdagen voor 16:00 besteld is dezelfde dag verzonden!
- Levering uit eigen voorraad

- 
- Veilig betalen! met SSL verbinding
  - Aantrekkelijke aanbiedingen
  - Groot assortiment
  - Ruime Openingstijden

Gratis verzending in Nederland & België vanaf € 50,-[Websitehardwarekings.nl/products/cisco-catalyst-4948-10-gigabit-ethernet-switch-ws-c4948-10ge](http://Websitehardwarekings.nl/products/cisco-catalyst-4948-10-gigabit-ethernet-switch-ws-c4948-10ge)
