

## Bakfiets BABBOE BIG Elektrisch (0 EUR)

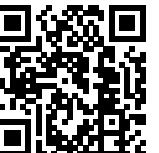

Locatie **Gelderland, Oosterbeek**  
<https://www.advertentiax.nl/x-142663-z>

Mooie bakfiets, elektrisch TE KOOP  
 Merk: BABBOE, Type BIG  
 Gekocht in april 2012 (eerste eigenaar). Vorig jaar nauwelijks gebruikt. En nu fietsen al 2 van de 3 kinderen zelfstandig, daarom verkopen wij onze bakfiets.

- Meer details:  
 Gebruikte bakfiets met gebruikssporen maar in goede staat.
- 7 versnellingen (Shimano)
  - bandenprofielen in prima staat;
  - accu werkt goed, is wel wat beschadigd van stoten, en acculader erbij, werkt goed
  - leuke zitting in camouflage erbij, met een kussentje;
  - met foamhulzen rugleuning en alle veiligheidsgordels compleet;
  - afdekhoes zwart, niet gebruikt;
  - groene regentent is helaas wel kapot gescheurd, zie foto 3 sinds begin dit jaar.
  - incl. originele sleutels slot (2) en accu (2)

Diverse Onderhouds- & servicebeurten gehad!  
 Regelmatig onderhoud gehad bij fietsenmaker in Arnhem, facturen in bezit.

- stuurpen, schijfrem en -disc in 2013 vervangen. Laatste onderhoud juni 2014
- gebruiksaanwijzing Babboe & instructieboekje accu

|                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |
