NIEUW met 4 jaar garantie

OVER DE SEADOO GTI SE 170

Two Engine Options

Choose from one of two proven Rotax engines all offering reliability, fun performance and fuel economy: the 1630 ACE with 130 hp or 170 hp. Both equipped with the Advanced Combustion Efficiency (ACE) technology.

The GTI hull design delivers loads of fun and is easy to drive with a confident, predictable ride. Robust Polytec material reduces the weight of the watercraft to deliver outsized performance and efficiency. Plus, its more scratch-resistant than fiberglass.

Exclusive to Sea-Doo, the iBR system lets you stop sooner for greater peace of mind and offers more control and maneuverability in tight areas like marinas and boat ramps. Recognized by the U.S. Coast Guard for improving boat safety.

Quickly access the Variable Trim System (VTS) on the handlebar for fine-tuned handling based on rider preference, water conditions, and number of passengers.

An impressive 38 gallons of sealed storage space allows riders to safely stow plenty of those must-have items for a full day of fun. Snorkel gear, towels and tow ropes have a home all their own while your phone

is protected from the elements.

Large swim platform offers enhanced stability and more comfort. Its the perfect place to lounge or prep for watersports and makes reboarding a breeze. Included LinQ attachment points add even more versatility.
