

# Iphone 12 Pro 128GB GOLD (670 EUR)

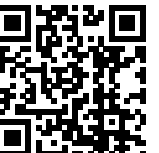

Locatie **Gelderland, Nijkerk**  
<https://www.advertentiax.nl/x-1434993-z>

Apple iphone 12 pro , 128GB

Zo goed als nieuw  
 Geen krassen heeft altijd netjes in een hoesje gezeten en erg zuinig mee geweest.  
 Alles werkt naar behoren.  
 Er zijn 9 hoesjes aan de telefoon toegevoegd.

Batterijstatus is% :)

|                                                                                                                                                                                                                                |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |
