

OnePlus 9 5G 128GB Blauw (300 EUR)

In zeer goede staat (ik durf zelfs nieuwstaat te zeggen).
 Compleet met originele verpakking en inhoud, zoals de 65watt warp charger en kabel.
 Vanaf dag 1 in een hoes (zie foto) en een screenprotector dus helemaal krasvrij. Ik heb nog 4 screenprotectors over, die komen erbij.

De blauwe kleur (Arctic Sky) is prachtig vind ik zelf. Qua software zit ie op de laatste Android versies en is ook niet aan gerommeld.

Bieden mag, maar wel realistisch.
