

## Skarl 645 opknapper (150 EUR)

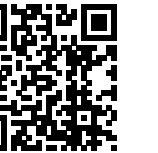

Locatie **Friesland, Stavoren**  
<https://www.advertentieX.nl/x-1443293-z>

Te koop Skarl 645!  
 Ik kom er niet aan toe om deze boot op te knappen ivm meerdere projecten.  
 Alles is aanwezig bij de boot mast giek tuigage enzovoort.  
 2 fokken en een grootzeil aanwezig.  
 Rvs roer.  
 Houtwerk is om sommige plaatsen slecht en dient vervangen te worden  
 Ook is de boot wel toe aan een nieuw laagje verf en antifouling maar daar is de prijs ook na!  
 Mag weg voor een zacht prijsje en kan eventueel opgeladen worden.

Gaat weg zonder trailer.

Skarl polyvalk centaur

|                                                                                                                                                                                                                    |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                     |                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |
