

EHampS officer (HVK)

Locatie **Zeeland, Terneuzen**
<https://www.advertentiax.nl/x-1452212-z>

For a client in Zeeland, we are looking for a EH&S officer (HVK).

Bedrijfsomschrijving

Nouvall Engineering Services is specialized in project support for the (petro) chemical and maritime industry. We provide expertise in the field of Engineering, Project Management, Maintenance, Shutdowns, Construction and Safety.

Functieomschrijving

Support the plant manager in facilitating the community and governmental interaction and the external reputation. Support contractor environmental, health and safety requirements during construction phase and help test and evaluate environmental, health and safety performance according to design during project startup phase. Partner with regional domain and country environmental, health and safety to support management of site impact assessments, operating permits and construction permits. Support suitable training content and delivery mode, in line with global and regional requirements, conduct gap assessment to identify training needs, adjust curriculum to reflect site specific needs and deliver training. Partner with key site or project leaders to integrate and operationalize environmental, health and safety programs and drive culture of safety, compliance and continuous improvement. Understand, localize and integrate company and legally required work processes, programs and controls into site level

operating procedures, tools and work instructions to standardize front line processes and monitor and adjust to improve performance. Prepare structured content of goals, strategy and targets with the plant manager and target the entire site. Manage target achievement with plant manager, leaders and team. Develop and implement plans and individual course and actions on environmental, health and safety compliance. Coordinate and moderate cross issues and provide a support while escalating more complex issues to appropriate staff. Other duties as assigned.

Functie-eisen

Bachelor's degree in a related field or equivalent experience. Minimum of two years of related work experience. Other minimum qualifications may apply. Fluent in Dutch and English.
