

Custom Dual Intel Xeon CPU Supermicro Server NAS (400 EUR)

Locatie

Noord-Brabant, Eindhoven

<https://www.advertentieX.nl/x-1454184-z>

I have been using this server for the past 2 years, and it has been running flawlessly. I just built a new server, so I am selling this one as a complete, working package. If you are looking for a reliable workhorse server or NAS platform, you'll be very happy with this one. I have power cables prepared for all the storage drives and a GPU. You just need to plug in your drives, and you'll be good to go. The full parts list is below.

Case: NZXT H710i (RGB lighting built-in)

Mobo: Supermicro X8DTL-iF (Dual gigabit ethernet, IPMI, on-board VGA)

CPUs: 2x Intel Xeon E5645 (12 cores, 24 threads)

CPU Coolers: 2x Noctual NH-U12DX i4

RAM: 48GB (6 x 8GB)

PSU: EVGA SuperNOVA 750W G3, 80 GOLD

Storage: Space for 4 HDDs and 5 SSDs

Fans: 3x 140mm fans (2 in front, 1 in)
