Honda Civic Type R 2002 (EP3) - A modern classic.  
 Soon to be an oldtimer, this car has 200,357 km and is in general good condition mechanically and aesthetically. Very recent photos taken in January 2023.  
 The car has been kept fully stock and a real joy to drive for the last 8 years. Very low-maintenance overall, oil changes always done timely, never had engine issues, the car always runs and runs very fast with the legendary naturally-aspirated 200hp K20 engine. The reason for sale is that I've purchased a new car.
