Op dit moment zit er een lagere kiel onder, en is een pilothouse gemonteerd ivm een reis door Frankrijk

Orginele kiel kunnen we weer bevestigen, en pilothouse is met 10rvs bouten te demonteren voor buiskap, frame aanwezig

In kajuit begint op sommige plaatsen de skai bekleding wat los te raken, voor het mooie moet het opnieuw gestoffeerd worden of gelijmd.

At the moment there is a lower keel underneath, and a pilothouse has been mounted due to a trip through France

We can reattach the original keel, and the pilothouse can be dismantled with 10 stainless steel bolts for a sprayhood , frame present

In the cabin, the skai upholstery is starting to come loose in some places, it needs to be re-upholstered or glued to make it look nice.
