Foldable bike for sale, almost brand new for €900

Bought it end of summer but didn't use it much cause it's been cold. Moving overseas that's why I'm selling it.

Please see the technical details in the link below.

please note that I purchased it from Mega Bikes and customised it by adding a more comfortable seat worth €40 and a basket worth €40. Also asked Mega bikes to add a smoother gear monitor.

The bike includes a €60 worth ART lock that is linked to bike insurance. The bike insurance covers theft if the ART lock is broken.

The bike insurance is valid till end of summer 2023 and is worth €90 for one year cover (will provide the end date to you on request)Websiteugomobility.nl/en/bikes/folding-bikes/dare-ugo-s1-folding-bike
