Renault Grand Espace 3.5 V6 24V Initiale AUT 2007 Compleet 6 persoons - met parkeerschade

Aangeboden: zeer complete en betrouwbare Grand Espace op leeftijd; de Grand Espace Initiale (duurste en meest uitgebreide uitvoering met 6 lederen captain chairs) heeft parkeerschade opgelopen (helaas zonder briefje achter te laten) maar deze beperkt de bolide niet qua functionaliteit. Voor parkeerschade: zie foto's 21 t.e.m. 24.

Onderhoudshistorie (zie: facturen op foto's 18 t.e.m. 20) aanwezig vanaf 03/2017 t.e.m. 12/2022:

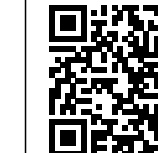

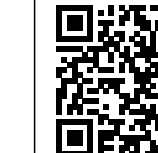

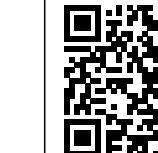

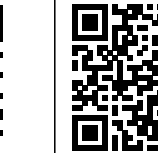

- 12/2022: € 370 (APK, wiellager vervangen)
- 07/2021: € 425 (Dynamo, V-riem)
- 06/2021: € 465 (Onderhoudsbeurt, Airco-reparatie)
- 05/2021: € 830 (LMM/Luchtmassameter)
- 08/2020: € 192 (Afdraaien remschijven)
- 07/2020: € 61 (Uitlijnen)
- 07/2020: € 669 (4 banden, Gasklephuis, remslang)
- 07/2020: € 445 (Remschijven voor, beurt, aandrijfas, stuurhoes)
- 06/2020: € 94 (Accu, vloeistoffen)
- 07/2019: € 528 (Onderhoudsbeurt, diverse reparaties)
- 02/2019: € 500 (Rechter voorveer, schokbreker)
- 03/2017: € 800 (Vervangen automaatbak - eigen bijdrage)

De Renault Espace geeft op dit moment twee (2) meldingen:

- controleer ABS/ESP (garage kan niets vinden; wellicht alleen 'reset melding' nodig?)
- fotoprobleem (is 6 maanden geleden remschijven bij de garage laten slijpen; 2 foto's)

Belemaant met 2 kluisjes, schijf, factuur en overeenkomstige keys op de

Bekijken in De Schooten, Den

|                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |
