

## Used iPhone 11 (380 EUR)

Locatie **Utrecht, Utrecht**  
<https://www.advertentiex.nl/x-1464604-z>

A used iPhone 11 all sides and imperfections are shown on the photos. Some scratches on the screen but nothing that can't be easily repaired. Fully working and charging! I am open to new price offers!

I am selling this because I recently bought it because my phone was stolen and it has now been returned to me! So I want to get rid of the extra phone!

It also has 90% battery
