

# Volkswagen MIB STD2 PQ met CP ( RNS 510 pasvorm )

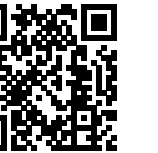

Locatie **Noord-Brabant, Valkenswaard**  
<https://www.advertentiax.nl/x-1465626-z>

Aangeboden een origineel systeem van Volkswagen MIB STD2 PQ.

Dient nog vrijgeschakeld te worden. Componenten bescherming zit er nog op. Verkeerd aangekocht vandaar nu te koop.

Er zit een kras onder in het scherm zie eerste foto. Dit heeft geen invloed op het touchscreen en is bijna niet zichtbaar als hij aan staat.

|                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |
