

# Audio system AD3000 monoversterker (275 EUR)

Locatie **Utrecht, Utrecht**  
<https://www.advertentiex.nl/x-1466021-z>

POWER:

?Power 4 ohm Watt RMS - 11 to 14,4 Volt 1200 x 1

Power 2 ohm Watt RMS - 11 to 14,4 Volt 1850 x 1

Power 1 ohm Watt RMS - 11 to 14,4 Volt 3000 x 1

?INPUT SENSITIVITY :

?Volt RMS 0,2 V - 5 V

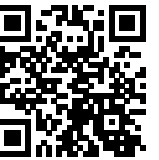

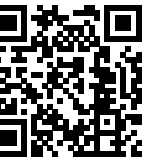

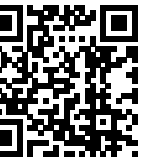

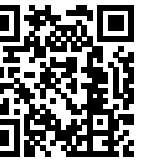

?DIMENSIONS:

640 x 56 x 232 mm

PESO: 8,26 Kg

Met doos en met bass- remote

Bijsluiting: nieuw, haast niet gebruikt

|                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                      |
