

Catalina Capri 16.5 Open Zeilboot with Mercury 5pk Motor (500 EUR)

Locatie **Zuid-Holland, Warmond**
<https://www.advertentieX.nl/x-1472122-z>

The Catalina 16.5 boasts a big roomy cockpit, and large storage locker forward, making for ideal family outings.
 This model features a powerful sailplan, balanced by the stable hull form and fiberglass centerboard and rudder.

The boat is from 2000, and only has had two owners. Current owner has sailed this boat for the last 13 years on the Kaag in Warmond. The boat has been stored on land in the winter.
 The boat and its sails are in good condition. Boat is easy to clean and is self-bailing so no cover is needed when not in use. Ready to sail. Boat has retractable keel. Mercury 5pk motor is included in the price. Trailer is in poor condition and should only be used for storage.

Owner is selling due to a new larger boat coming soon.

Owner can read Dutch, but my Dutch is not good enough to speak.
