

Tablet Nexus 7 - 2013 model

Locatie **Zuid-Holland, Delft**
<https://www.advertentieX.nl/x-1472288-z>

Nexus 7 tabled (model 2013, which is faster than the 2012 model).

Screen was always protected with a plastic cover, so no scratches.

Minor damage in one of the corners close to the headphone jack port. The port still works without problems.

The tablet comes with LineageOS 17.1, so it is much more fluid than stock.
