Peugeot 407 2.0 benzine automat
 From 2007 with 218.xxx km NAP

I own the auto from 2019 and it has good maintenance, 3000km ago I changed the motor oil, filter oil, air filter and cabin filter.
 Last year I changed the brake pads front and back.
 Now the car is equipped with 4 winter wheels but I have also 4 summer original Peugeot wheels.
 The motor and the automat is working great, so no investment in the car for the next period.
 If you have any questions, don't hesitate to call or message me !
 The car can be seen in!
