Hierbij verkopen wij onze Hyundai IX35 omdat wij via het werk een leaseauto gaan rijden. Deze Hyundai is gebouwd in het jaar 2010 en sinds oktober 2020 in ons bezit. We hebben hem altijd laten onderhouden bij een RDW erkende garage. Afgelopen november is de Hyundai voorzien van een nieuwe koppeling. Het enige defect is dat het raam van de rechter portier niet meer vanuit de bestuurderskant gesloten kan worden. Reparatie kosten hiervoor bedragen 225 euro (nieuwe schakelaar). Met de wagen word nog gereden, dus de gereden km kunnen nog iets.
