

MSI 34quot Curved Gaming Monitor - Optix MPG341CQR (350 EUR)

Locatie **Noord-Holland, Amsterdam**

This is a top notch gaming monitor. Extra-wide, curved screen, top tier specs and a variety of video port options.

The monitor could be considered like new (except that I've had it for a couple of years). Everything is in perfect working order. It also comes with the original box/packaging/stand.

Don't hesitate to contact me with any questions or concerns.
