

## Citroen C3 1.4i 75pk 2012 Wit (5.995 EUR)

Locatie **Overijssel, Hardenberg**  
<https://www.advertentiax.nl/x-1482861-z>

Zeer mooie Citroen C3. Interieur zeer netjes onderhouden.  
 Apk gekeurd 24-2-2023  
 Onlangs riemschijven en remblokken vernieuwd.  
 Vzv winterbanden incl.

|                                                                                                                                                                                                                              |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                               |                                                                                                                                                                                                                                |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |
