HP 5500-24G EI Switch

Hewlett Packard Enterprise ProCurve 5500-24G EI, Managed, L3, Gigabit Ethernet (10/100/1000), Full duplex, Rack-mountage, 1U

These Gigabit Ethernet switches deliver outstanding security, reliability, and multiservice support capabilities for robust switching at the edge or aggregation layer of large enterprise and campus networks, or in the core layer of SMB networks. The HP 5500 EI Switch Series is comprised of Layer 2/3 Gigabit Ethernet switches that can accommodate the most demanding applications and provide resilient and secure connectivity as well as the latest traffic prioritization technologies to enhance applications on convergent networks. With complete IPv4/IPv6 dual-stack support, the series provides a migration path from IPv4 to IPv6 and has hardware support for IPv6. Designed for increased flexibility, these switches are available with 24 or 48 Gigabit Ethernet ports. Power over Ethernet (PoE) and non-PoE models are available with optional GbE and 10GbE expansion capability. The all-fiber model with dual power supplies is ideal for applications that require the highest availability.

Quality of Service (QoS)

- Storm restraint: allows limitation of broadcast, multicast, and unknown unicast traffic rate to cut down on unwanted broadcast traffic on the network

Management

- Friendly port names: allows assignment of descriptive names to ports

automatically adjusts for cable length on Cat5e/6 cables up to 20/100/1000 p-pairs

Performance	Nonblocking architecture: up to 192 Gbps nonblocking switching fabric provides wire-speed switching with up to 133 million pps throughput	Nonblocking architecture: up to 192 Gbps nonblocking switching fabric provides wire-speed switching with up to 133 million pps throughput	Nonblocking architecture: up to 192 Gbps nonblocking switching fabric provides wire-speed switching with up to 133 million pps throughput	Nonblocking architecture: up to 192 Gbps nonblocking switching fabric provides wire-speed switching with up to 133 million pps throughput	Nonblocking architecture: up to 192 Gbps nonblocking switching fabric provides wire-speed switching with up to 133 million pps throughput

Resiliency and high availability

- **Separate data and control paths:** separates control from services and keep service processing isolated; increases security and performance

Productstaat van de Hewlett Packard Enterprise ProCurve 5500-24G

Het product ziet er goed uit. .

We checken de hardware bij uitlevering op 18 punten zodat u verzekerd bent van een goed werkend apparaat. Alle producten die wij uitleveren hebben 1 jaar garantie.

Huidige voorraad: 3 Stuk(s)

Naast de normale betaalmethoden zoals I-Deal hebben wij ook een nieuwe betaalmethode bij Hardware Kings. In 3 keer betalen met 0% rente

Betaal je je aankoop liever niet in één keer? Maak dan gebruik van in3: de enige gespreid betaalmethode met 0% rente. In drie keer betaal je het aankoopbedrag zonder extra kosten. Zo koop je binnen je budget je favoriete product. Het minimale bestelbedrag is € 100,- en het maximale bestelbedrag is € 3.000,-.

Hieronder een overzicht met de in3 betaalmethode voor het product dat je nu bekijkt:

1. Betaal nu: 66.34
2. Betaal over 30 dagen: 66.34
3. Betaal over 60 dagen: 66.34

Je kunt betalen op onze webwinkel met Creditcard, PayPal, Apple Pay, Google Pay, Bancontact en iDeal. Tevens kan je achteraf betalen met Klarna (14 dagen) of In 3 termijnen betalen met 0% rente. Kies de betaalwijze die voor jou het gemakkelijkst is!

Voordelen van Hardware Kings

- In 3 termijnen betalen | 0% rente, zonder BKR

-
- Deskundig en ervaren personeel met de beste service
 - 14 Dagen Bedenktermijn
 - Niet goed = Geld terug
 - Minimaal 1 jaar garantie
 - Uitsluitend A Merk refurbished hardware
 - Op werkdagen voor 16:00 besteld is dezelfde dag verzonden!
 - Levering uit eigen voorraad
 - Veilig betalen! met SSL verbinding
 - Aantrekkelijke aanbiedingen
 - Groot assortiment
 - Ruime Openingstijden

Gratis verzending in Nederland & België vanaf € 50,-Websitehardwarekings.nl/products/hewlett-packard-enterprise-procurve-5500-24g-ei-switch
