

# Honda CB500 Four K1 (2.900 EUR)

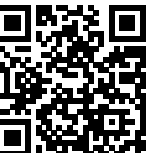

Locatie **Gelderland, Vaassen**  
<https://www.advertentiax.nl/x-1491187-z>

Leuke CB500 Four K1 op origineel NL kenteken. Motor loopt momenteel niet, carburateurs dienen schoongemaakt te worden.  
 Gaat wel gewoon rond, verlichting werkt, knipperlichten werken.  
 Spatborden zijn bikkel hard.

Mooi compleet restauratie object.

Eerste toelating

|                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |
