Functieomschrijving

As a Mid-Market Specialist, you will manage a book of medium-sized business, assisting in the optimization and scaling of digital advertising campaigns. You will use your problem-solving skills to continuously deliver value to our clients, while making a larger impact on society.

Day-to-day responsibilities may include, but are not limited to:

Prioritize goals of growing revenue and product adoptions
 Retain book of clients + identify growth opportunities for existing / new ad accounts
 Provide platform knowledge and recommendations around ad types, creative best practices, audience definition, bidding and overall strategic approach
 Assist with product and tool support to improve client experience
 Maintain quarterly sales quota
 Collaborate cross-functionally with Ad Ops and Support teams
 Develop and present advertising media plans for current and prospective clients

What do we ask from you?
