

## Seadoo GTX 2000 Millenium Edition 35u UNIEK met trailer (4.750 EUR)

Locatie **Noord-Brabant, s-Hertogenbosch**  
<https://www.advertentiax.nl/x-1525970-z>

Aangeboden waterscooter Sea Doo

- Seadoo GTX
  - Bouwjaar 2000
  - Millenium Edition
  - Rotax motor
  - Vermogen 135 PK
  - 3 zits
  - 2 sleutels
  - NL registratie
  - Urenstand 35 zeer uniek !!!
- Motor is nog nooit los geweest zie laatste foto

Zeer mooie comfortabele waterscooter.  
 Met goede vaareigenschappen en een leuk vermogen. Genoeg vermogen voor wakeboarden of een funtube.

Waterscooter heeft lang stil gestaan. Laatst weer opgestart nieuwe benzine, olie etc.  
 Zadel dek is ook nog vernieuwd.  
 En in het water gehad en vaart goed.

|                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                           |
