Hi, I'm selling my 1.5yo M1 12.9 iPad Pro boxed with new cable + plug. It comes with the latest Apple Pencil and Apple Magic Keyboard. The iPad is in immaculate condition (see pictures / no scratches) besides a little ding on the bottom right corner - I dropped it once with the case on from 20cm above ground (unfortunately).

The iPad works well, the screen (as you can see) is also immaculate as I kept a protector on (so it has no scratches).

No scammers (don't even try me), serious buyers only. Considering it was the middle range iPad Pro and includes accessories, I'd like 800 EUR in total. No bargaining please.

Thank.
