

# Daewoo Lanos 1.5 SE 2000 Grijs (600 EUR)

Locatie **Gelderland, Warnsveld**  
<https://www.advertentiax.nl/x-1534761-z>

Goede Daewoo Lanos van bouwjaar 2000.  
 Auto heeft geen schade en wordt nog dagelijks mee gereden.  
 APK tot 04-12-2023

Recent zijn de remblokken en remschijven voor vervangen.

Centrale deurvergrendeling en slot werken niet naar behoren. Aan de bijrijderskant is het elektrische raam defect, waardoor deze niet meer open en dicht kan.

Verder een prima auto welke mij nooit heeft laten staan en nog prima een ronde mee kan!

Auto wordt met 2 sleutels en boekje.

|                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |
