Locatie **Noord-Holland, Amsterdam**

Ipad is refurbished gekocht - heeft gebruikssporen op de achterkant en twee kleine krasjes op het voorscherm.

Het werkt perfect, de batterij is ook nog goed aangezien ik hem amper heb gebruikt en wordt geleverd met de hoes, maar zonder oplader.

De Apple Pen is nieuw gekocht en ook nauwelijks gebruikt. Het komt met originele doos en adapter voor oplading.

Bij voorkeur verkoop ik in Amsterdam.

ENG:  
 Refurbished - has signes of usage on the back and two very small scratches on the front screen.

It works perfectly, the battery is also still good as I have barely used the device.

The ipad comes with the case, but without a charger, as I bought it refurbished without the original one.

The Apple Pen was bought new and has also been barely used. It comes in the original box and the charging adapter.
