

# Suzuki SWIFT 1.4 Sport CARBON (15.995 EUR)

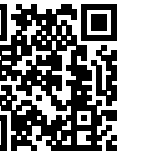

Locatie **Noord-Brabant, Kaatsheuvel**  
<https://www.advertentiax.nl/x-1537353-z>

Algemene informatie  
 Aantal deuren: 5  
 Kleur: Geel

Technische informatie  
 Vermogen: 103 kW (140 PK)  
 Aantal cilinders: 4  
 Transmissie: 6 versnellingen, Handgeschakeld  
 Aandrijving: Voorwielaandrijving  
 Bandenmaat: 195/45 R17  
 Acceleratie (0-100): 8,1 s  
 Topsnelheid: 210 km/u

Maten  
 Afmetingen (LxBxH): 384 x 174 x 148 cm  
 Wielbasis: 245 cm

Gewichten  
 Ledig gewicht: 945 kg  
 Laadvermogen: 500 kg

|                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                     |
