2x Samsung Monitors LS24R650

Is a 24-inch monitor for business use. This monitor has a sleek and virtually bezel-less design, so it doesn't look out of place in an office or home office. The monitor lets you create an ideal and ergonomic position while you work from home. Tilt, rotate, and adjust the height of the monitor to adopt the right sitting position for your working day. You can use it for everyday activities like watching YouTube videos as well. Since the monitor has an IPS panel, you'll experience true colors from every viewing angle. Are you working overtime? No problem. The blue light filter and the flicker-free technology reduce strained and irritated eyes. You can mount this monitor to the wall with a VESA wall mount.
