Samsung Galaxy A40

De Samsung Galaxy A40 is een slanke en compacte smartphone met een 5,9 inch Full HD+ scherm. Het apparaat heeft een dubbele camera aan de achterzijde met een 16 megapixel hoofdlens en een 5 megapixel ultra-wide lens. Aan de voorkant zit een 25 megapixel camera voor scherpe selfies. De Galaxy A40 draait op een 1,8 GHz octa-core processor, heeft 4 GB RAM en 64 GB interne opslagruimte, die uitbreidbaar is via een microSD-kaart. Het apparaat beschikt ook over een vingerafdruks scanner, gezichtsherkenning, NFC, een 3100 mAh batterij met snelladen en ondersteuning voor 4G LTE-connectiviteit.

This Samsung Galaxy A40 is part of a batch of phones prepared for reuse by our expert partner (15 years of phone repair experience). They are thoroughly tested and in good working condition. The models do have minor signs of previous use, in the way that there are microscratches on the sides, back, and the front screen. But overall, these phones are in a good condition! See the photos for details.
