

Kawasaki Z300 Akrapovic 2016 (4.000 EUR)

Locatie **Noord-Brabant**

I am hereby selling my 2016 Kawasaki Z300.

I have had the bike for almost one year and the reason for sale is that I am moving on to a larger bike.

The engine runs perfectly, always starts on the first go, runs and shifts extremely well. Up until recently it was stored indoors, now it is covered and kept outside.

Current odometer reading: 19942 (will rise as it is still being driven)

Minor scratches are present but the bike was never involved in any incident.

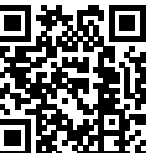

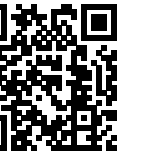

List of changes:

- Akrapovic exhaust
- new tires (changed in September 2022) - Michelin Pilot
- new chain and sprockets (changed in February)
- new brake pads (changed in May)
- new bar ends and bar end mirrors
- adjustable brake lever

I have all of the original parts and pieces, as well as an OEM tail cover.

All manuals, booklets and service records and 2 keys are present.

For more information and to view the bike and test drive are available on request.
