

ASUS M16 laptop (RTX 3060, i7, 1000 GB SSD, 16 GB RAM) (1.150 EUR)

Locatie Noord-Holland, Amsterdam  
<https://www.advertentiax.nl/x-1549953-z>

De Asus ROG Zephyrus is slechts 5 maanden oud en heeft nog ~1,5 jaar garantie. Ik verkoop hem omdat ik mijn studie (informatica) heb afgerond. Voor eventuele vragen kunt u gerust een bericht sturen.

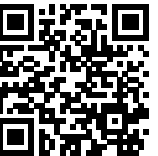

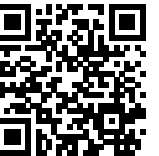

Specificaties:

Processorfamilie: Intel® Core™ i7  
Processormodel: i7-12700H  
Processorsnelheid: tot 4,70 GHz

Schermdiagonaal: 40,6 cm (16 inch)  
Resolutie: 1920 x 1200 pixels  
Verversingssnelheid: 165Hz  
HD-type: WUXGA

Intern geheugen: 16 GB  
Intern geheugentype: DDR5-SDRAM

Totale opslagcapaciteit: 1000 GB  
Opslagmedia: SSD

|                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |
