Now selling my beloved GS as I just don't have the time to ride as often as I would like. Bike rides great and the motor and transmission is as smooth as the day it rolled off the line.
 Purchased used 31 August 2018 at Molenaar Motoren in IJsselstein with 47.938 km. (Original bill of sale available for buyer.)All maintenance since has been done per schedule by Joost Motoren in Utrecht. (All service records provided.)Entire service history prior to my ownership is in OEM manual. Last major service (grote beurt) done September 2022, which included a new time and the replacement of several aging gaskets on the swingarm.Front shock was replaced in 2021.Some minor cosmetic wear to body and some powder coating, which I have tried to document with the photos.Includes:DS Covers motorcycle coverGivi side cases and top case (pictured, all single-keyed)Givi internal dry bags for side cases (not-pictured)Front rotor lock (not-pictured)Second key, OEM manual, all service records, and 2018 bill of sale.Standard equipment per the original factory Adventure package (crash bars, larger fuel tank, fog lights, etc.)
