

# Nokia 8110 matrix Uniek blauw doorzichtig (40 EUR)

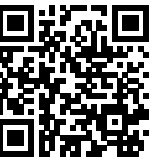

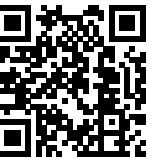

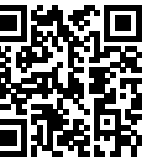

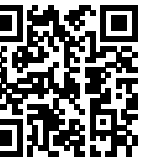

Locatie **Gelderland, Eerbeek**  
<https://www.advertentiax.nl/x-1551918-z>

Uniek toestel, in alle jaren van verzamelen deze nog nooit tegen gekomen mag weg hoeft niet weg.

Ik heb helaas geen lader van dit model Nokia dus kan niet testen of die werkt.

Vaste

|                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |
