Well maintained Peugeot 5008 ., APK was renewed on 23 May 2023 . Comfortable car. Very spacious, light and quiet on the road. Selling because I will buy electric car.

The drive is provided by a petrol engine and a six-speed manual gearbox. The panoramic glass roof gives you a wide viewing angle and you enjoy light and a feeling of space. The car is also equipped with : 16-inch alloy wheels, extra tinted glass, electrically operated rear windows and electrically folding exterior mirrors.

The electronic climate control ensures a pleasant indoor temperature. The car takes work off your hands because it itself keeps an eye on a lot. A rain sensor and automatically switchable lighting detect when the windscreen wipers and lights should be switched on. A wonderfully smooth speed? Turn on the cruise control! This Peugeot is equipped with a leather gear lever , leather steering wheel, automatically dimming interior mirror and central door locking with remote control.
