encryption Camera with built-in cap Operating system No system Additional information Dedicated numeric keypad Multi-touch intuitive touchpad Extended Components RAM expanded on a professional x-kom assembly line Height 27mm Width 400mm Depth 290mm Libra 2.78 kg Included accessories Charger

Condition is perfect. I bought it 14 february 2021 on polish website xkom.pl and i also bought hard drive SSD Samsung EVO 1TB to this from polish website allegro.pl and 1T SSD Goodram PX500 1000GB M.2 PCIe. Everything you have on screenshots.

If you want you can come to Bodegraven to see laptop and then decide to buy it. He never dissapointed me .

One thing i don't know, how to switch on touchpad . I don't know if its working because i always use.
