

Eampl Work amp Commissioning Preparator

Locatie **Zeeland, Terneuzen**
<https://www.advertentieX.nl/x-1559911-z>

For our client we are in search for a E&I Work & Commissioning Preparator.

Bedrijfsomschrijving

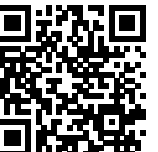

Nouvall Engineering Services is specialized in project support for the (petro) chemical and maritime industry. We provide expertise in the field of Engineering, Project Management, Maintenance, Shutdowns, Construction and Safety.

Functieomschrijving

Preparation & management of mechanical completion, commissioning & handover packages in coordination with the Project E&I Engineer.

You are involved in reviewing construction packages made by external design contractors
 The work packages will have to be checked for compliance, completeness and constructability
 This assessment is based on the Projects Procedures and Standards
 Assistance in field engineering packages in cooperation with the engineering partner
 Prepare test & check sheets based on construction packages
 Where possible, you will propose methods to improve check & tests requirements in the field
 You will actively participate in internal and external meetings
 Support the Construction Manager for E&I construction matters
 Expedite and follow-up of contractor submitted:
